

Pathway qualifications

CHC10108 Certificate I in Work Preparation (Community services)

This qualification provides an exposure to work in the community services industry. This is a pathway qualification that may lead to a VET in Schools qualification, career clarification and greater participation of equity groups. It may also serve as a basis for workplace entry training for people with a disability seeking employment in business service or open employment.

The importance of culturally aware and respectful practice

All workers undertaking work in community services need foundation knowledge to inform their work with Indigenous clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Community Services Training Package.
